

AN OLD FASHIONED VACATION

Situated on 200 acres of hillside woods and gently rolling fields on the shore of Little Lake Sunapee is a truly special summer resort.

Twin Lake Village-vacation like it used to be.

Unpretentious, yet with all the warmth and charm you'd ever want. The kind of place that can't be built today. It comes about through years and years of pleasing guests; knowing just what makes that special vacation.

Little things that make a big difference: sprawling porches and wicker rockers, real maple syrup, homemade breads and desserts, Bingo, picnics on Mt. Kearsarge. Non-stop days or just curling up with a good book; the choice is yours.

But Twin Lake Village is more than country cooking and lots to do. It's old-fashioned vacation living and the people that lifestyle attracted; people who value simple pleasures and being in a truly spectacular part of New England.

The Kidder family has been welcoming guests for over 110 years.

We operate on the American Plan-3 meals daily. Breakfast is served 8:00-9:00, lunch 12:30-1:30 (box lunches are available), dinner 6:00-7:00.

BRING THE CHILDREN

Each year more people are taking vacations the whole family will enjoy. Twin Lake Village loves children. Children's activities include dances and a supervised Playhouse for 2-5 year olds most mornings from 9-12, so you can be off to tennis or golf.

FOR THE GOLFER

Twin Lake Village guests can play all the golf they want at our own nine hole, par three course. With holes from 100-220 yards, and a brook winding through many fairways, there's plenty of challenge. Tournaments are popular and getting together a foursome is easy. Nearby Country Club of New Hampshire and the Eastman Golf Course are excellent championship courses open to the public.

ENJOY OUR WATERFRONT

If your idea of vacation includes aquatic activity, you're in luck. A gently sloping beach, row boats, sunfish sailboats, canoes, kayaks, or just sunning at the boathouse; all are available for guests.
